The map illustrates the evening bus network in Cottbus, starting from 20:45. It features a central urban area with the main bus station (Hauptbahnhof) and the city center (Cottbus-Center) as key hubs. Major roads like the Spree and the Elster are shown, along with various districts including Kolkwitz, Sielow, Döbbrick, and Merzdorf. The map uses color-coded lines to represent different bus routes: green for night buses (4N), blue for regular buses (12), red dashed lines for regional services (RE1, RE2, RE10, RE13, RE18, RE43, RE49), and purple for regional buses (47). Stops are marked with icons and names, such as 'Cottbus-Center', 'Hauptbahnhof', 'Kolkwitz Süd', 'Ströbitz', 'Döbbrick', 'Merzdorf', 'Branitz', 'Kahren', and 'Hänchen'. Landmarks like the BTU/Bibliothek, Stadtverwaltung, and various schools and parks are also indicated. The map includes a legend at the top left explaining the symbols for different bus types and a legend at the top right providing contact information for VBB and Cottbusverkehr GmbH. The map is titled 'Cottbus Stadtverkehr Abendliniennetz ab 20.45 Uhr'.
